Swimming Lesson Procedures:

*If you are unable to reserve & attend a time to register on site at the Parkview Event Center on May 11 or May 18, please call or stop by the pool after opening day. (712-476-5523)

*Complete course descriptions found at <https://www.cityofrockvalley.com/web/swimming-pool/#lessonsched>

*All Learn-to-Swim Level 1-6 classes are two weeks, Monday-Thursday. Fridays will be used as a make-up day as needed for weather or unforeseen maintenance. To ensure proper water safety instruction, participants who miss class outside of weather or maintenance events may be disqualified from completion per Red Cross guidelines.

If you are interested in making up days, please check with the pool manager or instructor for possible options.

* **Low Enrollment Policy:** If there are less than 3 students in a class, you may be required to switch class times to properly fill classes.

*Please keep your student at home if he/she is feeling ill or has a fever.

***In cases of inclement weather or pool maintenance: An announcement will be placed on the answering machine 30 minutes prior to all cancellations and will be posted on the City of Rock Valley FACEBOOK page & Instagram account @rockvalleyswimmingpool.**

*Parents/Family/Friends are encouraged to watch the swimmers! But, for the safety of patrons and consideration of the instructors, **ONLY STUDENTS** are allowed in the pool area during public or private lessons. A grass area next to the training pool and shaded area in the park are great places to view the classes—lawn chairs are welcome! Your help is appreciated!

The Red Cross has determined that the quality of instruction has often been affected by parent and/or sibling distraction, interruptions, or various other concerns that may interfere with class interactions.
